Spring is fun! Spring is the birds coming back from warm places. You will see many birds around you! There are going to be some leaves growing in the trees, but not a lot. Spring is warmer than winter, but not warmer than summer. In the spring there’s not going to be a lot of snow, but it rains and sometimes it’s sunny. In the Spring I will ride my bike with my mom in a park in Montreal. There’s a bike road. I will do gymnastics there, too. My mom lives in Montreal. On the weekend I always go to Montreal to visit her. My dad needs three hours to get there. Montreal is a really big place to be and there are a lot of people. Spring is a good time to spend time with my family and my friends. In Montreal there is IKEA, buffet and Little Sheep restaurant. In Montreal there are more Chinese people than here. Most of the Chinese are at the buffet. There are two IKEAs in Canada, one in Montreal and the other is in Ottawa. I love it there! There is also a mountain. It has a name, but it’s a Chinese name.
